

A photograph of two surgeons in an operating room. They are wearing green scrubs, white masks, and green surgical caps. The surgeon in the foreground is wearing a VR headset and holding a controller. The surgeon in the background is also wearing a VR headset and holding a controller. The scene is lit with bright, circular surgical lights.

Annual Report 2026

**HEAL Simulations' mission centers on assisting medical practitioners in maximizing their capabilities, thereby elevating treatment results and preventing fatalities.**
